		<p>2nd goal in as many games  <b>SUN:</b>            Playing against a motivated UVI team, looking for their 1st win of the season. SGU had their hands full. The game was, quite physical with the SGU girls being put under pressure. Despite this, the team was able to get on the scoreboard 1st with a goal from Jasmin Dhanda. With some luck the team could have been up 2 by the half. In the 2nd half, SGU was unable to play with any flow and consistence. Midway through the 2nd half UVI tied the game. The stellar effer of Morgan King in clearing a ball off the line prevented UVI from scoring their 2nd goal and securing a win.</p>		
<b>U18 Girls</b>	SGU 2 : Tsawwassen 1	<p>The U18 girls put in a sub-par performance for their standards and beat Tsawwassen Triple Threat 2-1. Goals were scored by Emma Graham (assist to Michelle Knowlan) and Elexis Schlossarek (assist to Rachel Gledstone). The 18's have one more league game before going to Seattle for the Field Turf Cup on Nov 26th.</p>	vs Abby	
<b>U14B Boys</b>	SGU 3 : Vancouver 2	<p>A gutsy performance by the U14B boys saw them through a strong Vancouver FC team and got them a deserved 3-2 win. The home crowd saw our boys pulling ahead in the 1st half but a quick breakaway put Vancouver level and a phantom PK call gave them the lead. From then on the game was all SGU pressuring and Van trying to capitalize on counter attacks. Our boys effort was rewarded in the end and they got the goals needed to bag the win. Man of the game was Nicolas Apostol, a ball of energy</p>	vs North Fraser

		up front.		
U14A Boys	SGU 1 : Coq-MF Euro 0	The 1st half was a see-saw defensive battle played between the two 18 yd boxes with neither team having more than one real opportunity to score. SGU came out in the 2nd half with a little more offensive surge. Arjun Girn got the game's lone tally when he slotted home a pass from Jeevin Kang at the 10 min mark. Euro tired to press for the tying goal, but SGU's staunch "team defense" limited any scoring opportunity. This was SGU's 3rd shutout in as many games.	vs UVI	
U16B Boys	SGU 1 : Coq-MF Barca 2	SGU played a strong game against CMF Barca but continue to have a lack of finishing. SGU pressured the CMF squad consistently creating a number of strong scoring opportunities. The half ended with a no score draw. The 2nd half saw CMF pressuring the SGU defenders and were able to score twice. SGU fought back and a determined effort by Brandon Pereira resulted in a goal for SGU late in the game. Though encouraged and with renewed determination the SGU boys inevitably lost to the clock as time ran out on finding the equalizing goal. Obraj Khela was tagged by the coaches as MVP for the day.	vs Richmond
